# Hello!

Flux Lighting, a proudly Canadian company located in Ottawa, delivers innovative lighting solutions without compromise. With the current uncertainty in the political landscape, supporting Canadian brands is now more important than ever.

This guide showcases the best in Canadian lighting, featuring manufacturers committed to quality, craftsmanship, and cutting-edge technology. Whether you're designing for residential, commercial, or hospitality spaces, these brands offer the performance and aesthetics you need, while keeping the Canadian lighting industry thriving.

Click on the manufacturer logos to visit their websites, and please reach out to the Flux team if you have any questions!
